

Paint Spots

By Ami Bennett

First off, I would like to thank Debbie Moore for handing over the Paint Spots reins to me and to Jeri Stone for creating such a great place for Paint Horse people of the Northwest to get together and share their information. I have big shoes to fill, but I will try and continue on the Paint Spots tradition as these great ladies have done before me.

Here's the latest news:

Mark and Sharon Spencer have sold their two remaining show fillies. Barlnk Touch of Minx went to Illinois where she will continue to be shown and Barlnk Etchedin Stone went to Texas to be a broodmare for the Ruhlman's...old friends of all of us. While they are no longer going to be showing, they will continue to ride their Paints while driving cattle in the John Day River country!!

Shasta Hay Grimes of Kennewick WA has lost her 2005 SPB mare Ima Smooth Gal to a sudden Heart Attack. This was just after Ima Smooth Gal earned her ROM in Halter at the Walla Walla Paint show in July. On a good note, Shasta bought a 2007 Overo filly by The Boys Night Out named "Boy Crazy". Shasta is looking forward to the future with this filly but will always miss Ima Smooth Gal.

Merrill Creek Ranch located in Toledo Washington - sold a 2007 red roan overo sabino colt out of their Skip The Print daughter to Candace Alcoate of Gerber California.

Congratulations to Nicole Slattery and Michael Abilla of Ridgefield on their recent engagement and upcoming wedding. You can send your well wishes to them at their wedding web site www.nicoleandmike.net

The Circle L Arena and Stockman Bank in conjunction with Maria Jerome and Christine Holland will be hosting the Montana Gold Futurity and APHA show October 6th, 2007 at the Circle L Arena in Belgrade, MT. The Futurity is for foals of nominated Paint, QH, and Appaloosa stallions. For more information go to <http://montanagoldfuturity.freewebspace.com> or www.montanapainthorseclub.com under the activities button.

Christine (Meng) Anderson has sold Salinas Sunrise Apache a 1998 Chestnut Overo Mare to Eastern Washington. She has purchased Jesters Dejavu a 1987 Sorrel Overo Mare by Jester Smoke out of a daughter of Mr Gunsmoke. She has also sold Jets Extra Chick a 2003 Chestnut solid Mare by Jets Extra Tuff to Linda Berkes of Selah, WA and Tuff Danielle a 2002 Chestnut solid Mare by Jets Extra Tuff to Tristan Scherzinger of Powell, Wyoming.

The Inland Northwest Paint Horse Club has developed an exciting new program that will start in 2008. The "Northwest Breeders Futurity" is designed for breeders & exhibitors providing added money Futurities for weanlings - yearlings - 2 & 3 yr olds. An information brochure is available on request & details can be found on the www.inphc.com website.

Shootin At Shadows, owned by Shannon O'Dell, has earned his APHA PAC Certificate of Recognition in Western Pleasure in his first year being shown.

Erica Sam of Vancouver, WA has purchased Van Dee Bar, an APHA Gelding from Teri Smykowski of Brush Prairie, WA.

Kristi Stone and her Paint gelding, For the Love of Gold have been awarded their Superior in Amateur Western Pleasure. For the Love of Gold is a four year old sorrel Overo gelding by Zippo's Old Gold. She has since sold For the Love of Gold to California.

Whos Zippers Down owned by Christine Weiser of Meridian, Idaho died very unexpectedly at this years APHA World Show. Fred, a six year old Chestnut Overo gelding and Christine had just earned their APHA Amateur Versatility award as well as Superiors in four events. Our condolences go out to Christine and her family.

Norfleet An Sonny had to be euthanized due to complications following a tendon injury. "Garth" was owned by Alison Willoughby and Bruce Maitland in British Columbia, Canada. Our condolences go out to Alison and Bruce on their loss.

The Zone One 2006 APHA Ride America winner for Zone One is Leigh Livingstone, of Sandpoint, Idaho, and her 12 year old Bay Tobiano gelding, Desert Snipper. This pair longed 697 hours of riding time.

Congratulations to Laneise Dyjak of Olympia, WA and her six year old Bay Overo gelding, Im The Star So Far, on earning their APHA Amateur Versatility. They have also earned their APHA Amateur Superior in Showmanship.

Congratulations to Marissa Eddy of Stanwood, WA and her 12 year old Chestnut Overo gelding, Lucky Poker Chip on earning their APHA Youth Versatility as well as an APHA Superior in Youth Showmanship.

Here's an alert forwarded by a trainer in our area:

Attention All Professional Horsemen:

I just wanted to make each of you aware of a scam being directed to members of the Professional Horsemen. Several of our Professional Horsemen have received emails from over seas advising they have a child they want to send to the US to take lessons. The request asks for a cost and then mails a check which exceeds the amount quoted. After the professional receives the check the requester then asks for a refund of the overage. When the overage is returned it is then discovered that the requester's check was insufficient and you are then out that money.

Please be aware of these requests and regard them with caution. Here are some tips for recognizing fraudulent emails:

- If the request sounds too good to be true, it probably is.
- If you're asked to send money for any reason, it's probably fraudulent.
- If you don't know the requester or they aren't referred by someone you know, it's probably fraudulent.

Thank you,

Kelly Proffitt
