We will be using Horse Show Tracker as our primary entry source as well as for posting the Zone One Show One and the OPHC Summer Sizzler placings

Tips to make entering with Tracker easier:

- Set up your People (owners, exhibitors, trainers) as well as your Horses from a desktop computer (this process is easier from a desktop than the mobile version for the initial set up)
- TRIPLE CHECK YOUR DATA ENTRY – however you spell the name of a horse or person or whatever membership or registration number you enter is how the results will get submitted to APHA. If you have that information wrong, you could end up with an issue getting your results tabulated correctly at APHA
- Online Entry Tutorial available at <https://www.youtube.com/watch?v=qXEgTP4UNUA> OR at www.horseshowtracker.com – help (bottom right corner) – Online Entry Tutorial (4th item)
