

Zone One - "We are #1"

Our 45-year history stamps our show as a leader on the West Coast

A prestigious ten Judge Circuit featuring the Zone One and the Summer Sizzle Circuit

When the American Paint Horse Association created zones to recognize the achievements of its members in geographical areas, they made the Pacific Northwest number one! Our show made the Top 20 in the World again for 2025. We can't wait to see if we hit the top 20 as the year end standing come in!

Although boundaries have evolved over time, APHA's Zone One now encompasses Alaska, British Columbia, Idaho, Montana, Oregon and Washington and is represented not only by APHA directors elected to represent the one province and five states within the zone but by APHA regional clubs whose members make up the Zone One Representative Council. The council hosts an annual Zone-O-Rama APHA horse show that showcases the diversity and talent of American Paint Horses and their owners throughout the Pacific Northwest and neighboring states.

In 2026 we brought our Zone exhibitors together for a week of fun, great prizes and recognition of excellence. Bringing back deeper placings on our awards program with outstanding prizes to our top 20 Show! The legacy continues with expanded awards in 2027, adding a Senior Horse Saddle, All Breed Open, and an added top five to our all around categories.

Oregon Horse Center – Eugene, OR

We are Number One. Our 45-year history stamps our show as a leader on the West Coast. We are the only remaining ten judge American Paint Horse Association circuit on the West Coast. APHA calculates the best of the best with a yearly worldwide honor roll. Several of our Northwest exhibitors earned top honors and this ten-judge show helps secure their future success.

When the American Paint Horse Association created zones to recognize the achievements of its members in geographical areas, they made the Pacific Northwest number one! Our show made the Top 20 in the World again for 2025.

Although boundaries have evolved over time, APHA's Zone One now encompasses Alaska, British Columbia, Idaho, Montana, Oregon and Washington and is represented not only by APHA directors elected to represent the one province and five states within the zone but by APHA regional clubs whose members make up the Zone One Representative Council. The council hosts an annual Zone-O-Rama APHA horse show that showcases the diversity and talent of American Paint Horses and their owners throughout the Pacific Northwest and neighboring states.

We are excited to continue our focus to bring our Zone together for a week of fun, great prizes, over two hundred custom buckles and recognition of excellence. Bringing back deeper placings on our awards program with outstanding prizes to our top 20 Show!

Our target at this time is to promote our two hundred plus circuit buckle winners. We have created a package that is perfect for our local equine businesses. From one buckle at \$100 to twenty-five at \$2500.00 we appreciate each and every one of you!

I am excited to work with each of you as we head to our August event.
